

### INDUSTRIAL DINNER

Fourteen Negroes connected with Welfare, Safety and Employment Departments of 12 plants in Pittsburgh District dined Tuesday night, June 26th at Witt's Gardens and had as their guest white officials of these plants. Among those present was a president of a Steel Corporation; a director of Welfare of a corporation employing 60,000 men in 13 plants; a director of Safety of another corporation having 34 plants and warehouses scattered over the U.S. Subjects discussed were ~~xxxx~~ "Outlook for Continued Prosperity"; ~~xxxx~~ "Recruiting Negro Labor", "How Good Housing affects Safety and "Present Trend of Welfare Work. " The principal of giving each man the job he is best fitted to do was constantly referred to by the different speakers as the best means to lessen discontent, reduce accidents and give Negro workmen the best chance to develop the best in him.

The dinner was arranged by the Industrial Committee of the Urban League of Pittsburgh.
